## Welcome to 2010

I would like to take this opportunity to welcome back all returning members and hope you all enjoyed a happy and safe festive season. To all new members, welcome aboard and I hope you will enjoy yourselves.

This year for the first time, we will only be playing three terms due to the introduction of 10 Ball as well as our usual 9 Ball and 8 Ball terms. And Club Championships for each game after each term.

Welcome back guys to what's going to be a hopefully "HUGE" year ahead!

I would like to start with attendance. Every Sunday night we commence at 6.30pm for practice and start play at 7pm sharp! For any reason you cannot attend or will be running late I ask if you could please call or text me on 0400 224 614 so I can organize other arrangements if need be.

Kat Newman.

## Advertising

This year we are providing a service for people to advertise their businesses. We will advertise your business for \$5 month or \$40 for the year. All you need to do is supply us with your business card and we will do the rest.

## Tuesday Night 9 Ball Doubles

After a successful first attempt last year we are again planning on running this format again this year. To get this venture up and running we need a minimum of 10 teams. Last year we had a team coming from as far away as Epping, who eventually ended up winning.

For Further information or to submit your team please call Abi Newman on

0418 999 988.

## Fundraising

This year we will be fundraising again to help subsidise the end of year presentation night, to keep cost lower for our members and to pay for the trophies. Your support will be greatly appreciated and please note that it all comes back to league members. If you are in a position to be able to donate something towards raffles, end of year hamper – raffle or have any fundraising suggestions please contact either Kat or Craig on 0414 434 855.
